

## High School Musical – Writing Practice October

Name: \_\_\_\_\_

**My favorite scene is when** Troy and Gabriella audition for the musical.

**Before this scene** many other students tried to sing for the musical but they didn't sound good.

**After this scene** Mrs. Darbus tells them to come back and do a 2<sup>nd</sup> audition.

**I learned from this scene that** sometimes you need to try new things even if you're not comfortable doing them.
